

Stan & Tresa Rowe

Missionaries to Papua New Guinea

February 2019

Dear Pastor & Church,

Travel

Thank you so much for your prayers and encouragements as we travel the roads. We were able to visit 9 church appointments last month, Lord willing we will be in 9 more appointments in February. As of today we have 26 more appointments and conferences until the last Sunday in May.

Tickets

Praise the Lord we have all our tickets bought and paid for. We are scheduled to fly out on June 26th. Continue to keep us in prayer as we travel these next 4 months. There is always plenty to prepare in order to go! We have just sent off Dependent Visa renewal applications for Norm and Aaron and we pray they are processed speedily.

Thanks

Thank you to so many of you that have contacted us thus far. This has been an unusual and unexpected furlough to say the least! I apologize that I haven't personally called everyone yet. We are also updating our report video to put on the website within the next month or so. We pray it will be a blessing.

In Him,

Stan & Tresa Rowe
