

Missionaries to Papua New Guinea

Stan & Tresa Rowe

May 2017

Dear Pastor & Church,

Back Safely

Praise God we made it safely back into PNG. We're starting to get back into the rhythm of things a bit. It's been busy with moving houses this time, as well as moving back into the country. Furlough was a good and encouraging time but we look for that land where we'll never have to pack and move again!

One Hand Raised

I was blessed to be able to preach in 3 different churches the first few weeks back. It seemed that God ministered at each one and we're grateful. Pray especially for a young man recently saved named Alex Kevin. He has some distance to walk to church. The road is rough to drive out to the meeting place also. Pray for Bro. Kenny Keck and the work near Kaisenik.

Tent Update

The tent is paid in full and on the way. There is customs and trucking on this side still to go. Thank you to those who have given so much for this project.

Prayer Requests

- *Bible School classes - for preachers to be well grounded in the Word
- *More and more witnessing opportunities and fruit from them
- *Bro. Jim Blume and family as his mom passed away this Easter
- *Amanda and some friends will be on a mission's trip to the Philippines and PNG

In Him,

Stan Rowe & Family
